

# Hadriana Leo

Wealth Strategist. Coach. Author. Engaging Speaker

## Hadriana Leo's Biography

Hadriana Leo is the founder of Money Navigator™ International. She is the author of *Becoming a Wealthy Woman on Purpose*, a forward-thinking Wealth Strategist and Coach, and an engaging speaker.

She does her best work helping professional women connect what they know about money and the actions they need to take. Hadriana is passionate about helping to turn their knowledge into tangible, aligned wealth

Born in St. Lucia, her energy is as warm as the sun. She teaches women how to reset their money mindset and rewrite their money stories from her home base in Canada.

Always delivering from the heart, Hadriana inspires, empowers and equips women to create and embrace wealth confidently and unapologetically! She is known for keeping it real in every delivery with a blend of personal stories, insightful observations and an intuitive understanding of woman's nature.

In addition to her client work, Hadriana is a mom of two, who loves singing, volunteering and luxuriating in pleasurable self-indulgence.

## Becoming a Wealthy Woman on Purpose

Becoming a Wealthy Woman on Purpose explores the unique perspectives of women and how they relate to money. It addresses the needs of women that are not currently being met in the world of personal finance.

In her presentation, Hadriana shares her signature method used to help women build their financial confidence, identify their most aligned wealth-building strategies, accelerate their results, and prepare for the next stage of wealth.

Women are encouraged to celebrate each unique aspect of themselves and learn how to apply their gifts to their wealth journey. They will leave feeling more empowered and equipped to create a life of wealth and purpose.

Under the same title, Hadriana's book was written to help women who have been underserved, undervalued, and underestimated. Within this guide women will find the confidence, strategies, and support they need to create a life of wealth and purpose.
